Re: No. PD-0254-18, *Craig Doyal vs. The State of Texas*, In the Court of Criminal Appeals of the State of Texas; On Discretionary Review from the Ninth Court of Appeals District of the State of Texas, Cause No. 09-17-00123-CR

Dear Ms. Williamson:

Pursuant to our conversation this morning, please accept this request for the use of a demonstrative during my portion of oral argument (amicus) in the above referenced matter. The demonstrative I intend to use is an enlarged version of the statutory provision in question, for which there are grammatical issues that I will be arguing. I will have a copy of the same statute for each judge (and counsel) to review at the bench, but I would like to be able to point out to the Court the specific wording that arguably makes the statute void for vagueness.

Thank you in advance for your consideration of this matter.

Sincerely,

**EICHELBAUM WARDELL**
